- RAM Camera

The **Lenco BearCat G2®** is the Standard of the Industry and the primary APC used by SWAT & SRT, Military Police and National Police & Security Forces in vital tactical roles. The BearCat provides live saving armor in Barricaded Suspect callouts, high risk warrants and active shooter scenarios. Its open floorplan allows for response & rescue of downed personnel needing medical intervention. The BearCat can be configured to a wide array of variants including Anti -Riot & Crowd Control, perimeter patrol & security, border patrol and EOD. Lenco vehicles have readily defeated multi -hit attacks from high powered rifles, combat mortar frag, even IED's. The BearCat has been tested under fire and proven to save lives. Approved by the US State Department & the National Tactical Officers Association.
