The **Lenco BearCat X3® 4-Door** is the newest variant to the BearCat family of light APCs. The BearCat X3 utilizes proven LenCO technology in a lightweight Modular variant designed for Special Ops, Counter Terrorism or Internal Security applications. The pickup-style APC provides up to BR7 Armor Protection with high ground clearance for aggressive off-road performance and excellent maneuverability. The X3 offers a wide variety of interior layouts and rear configurations for Radar Surveillance, Water deployment, Weapons mounting / storage and Armored Recovery missions. If your mission takes you off-road, the BearCat X-series will get you where you need to go.
